

Tammikisat  
29.-30.1.2022

**Welcome to agility competition organized by Active Dogs ry 29.-30.1.2022. The judge of the competition is Vendula Hausnerová.**

**The chief stewards:**

**Saturday Class 1 & Class 3 XS, S & M**

Mikko Aaltonen, 040 529 8225

**Sunday morning Class 2**

Sari Pietilä, 050 413 2484

**Sunday afternoon Class 3 SL & L**

Hennariikka Kangas, 040 742 3352

**The competition venue** is OneMind Dogs Arena in Haukipudas. The address is Teollisuustie 1, 90830 Haukipudas (G-building). There is air conditioning in the hall. The surface of the ring is Saltex artificial turf.

**There are special arrangements during the competition due to Covid-19. The instruction of these special arrangements is attached to this letter, please read it carefully.** You SHOULD NOT participate to the competition, if you or your family member is having symptoms of coronavirus.

HUOM! Competitors, whose dog has been measured before 1.7.2019 need to have a record book, which consists of a record book + valid measurement certificate. Starting from 1.7.2019 separate measurement certificates have not been provided, but the measurement results have been noted in the record book.

All dogs participating to the competition must be chipped/tattooed and vaccinated according to the regulations of the Finnish Kennel Club, and the handler needs to have a competitor licence by the Finnish Agility Association (A, B1 tai B2). The antidoping regulations must be followed in the competition.

**Moving up to a higher class**

According to the agility rules a dog can move up from class 1 and 2 with 3-8 clean runs. If you know, when you want to move up to higher class, please put a note of it inside your record book.

**A dog in heat participating to the competition** must use heat pants inside the agility hall and a red ribbon should be tied to its leash as an information for other dog handlers. The heat pants will be removed for the time of the run in the last waiting area. Dogs in heat will start as stated in the startlist. Please notify the chief steward of your class about your dog being in heat (whatsapp-message or a text message).

Please inform us of possible **changes, moving up to a higher class or not participating to the competition** as soon as possible to the chief steward (whatsapp-message or a text message). If you are unable to participate to our competition due to your dog being in heat, ill or hurt, please send a heat or medical certificate and your account number to Maria Kauppi by e-mail [makursu@gmail.com](mailto:makursu@gmail.com) latest on 4.2.2022. A certificate signed by two witnesses is enough with dog in heat or kennel cough. If the dogs in the family have been coughing, should all the dogs in the family follow two weeks quarantine before participating to competitions. The registration fee will be refunded also if the dog handler or their family member is having symptoms of coronavirus and is not attending the competition due to the symptoms, information provided by the competitor is valid in this case.

**The start lists of the competition** will be published latest on Thursday 27.1. in [www.activedogs.net](http://www.activedogs.net) and in the competition venue. Start lists will not be handed out on the competition venue.

**Links to the livestream of the competition** will be published in the Facebook event before starting the first course.

Link to the Facebook event:

<https://www.facebook.com/events/4291615044240816/>

**Please follow the rules of OneMind Dogs Arena:**

- Dogs are not allowed to pee or poop in the hall. Should an accident happen, mark the place and inform immediately some of the stewards in the competition of the need for cleaning.
- Do not let your dog to pee on the outdoor walls of the hall, door jambs or the neighbor buildings or yards.
- Dog poop must be collected from everywhere.
- The use of track shoes with spikes is not allowed in the hall.
- Do not bring dog's water bowls to the artificial grass.
- Eating and drinking beverages is not allowed in the grass area.

Tammikisat  
29.-30.1.2022

- Smoking is only allowed outside on an area reserved for smoking.
- Dogs must be on leash during the warm up walks.

### **Special instruction during Covid-19 in the competitions of Active Dogs ry**

Every person attending the competition will be participating to the event on their own responsibility. The Finnish Kennel Club, The Finnish Agility Association, Active Dogs ry, the stewards of the competition or the judge are not responsible of the possible exposure or infection of coronavirus, nor of the disadvantages that may follow.

The event will follow the guidelines provided by the Finnish Agility Association:

<https://www.agilityliitto.fi/materiaalipankki/sagin-koronalinjaukset/>

In addition the instruction and regulations provided by the authorities will be followed.

Every competitor will commit to follow the given instruction. Should the given instruction not be followed, the judge of the competition has the right to remove this person from the event.

### **Special arrangements in the competition venue**

- Only persons who are indispensable for competing may attend the event.
- You may not arrive to the venue, if you or your family member have symptoms of coronavirus.
- We wish for you to arrive to the venue only a little before your own class starts and to leave the venue as your class ends.
- You are allowed to watch the runs of other competitors inside, on the long side of the hall, considering the safety clearance. Please leave enough space for dogs coming to and leaving the ring.
- Keep a safety clearance of 2 meters to others.
- Always use a face mask at the venue, if keeping a safety clearance of 2 meters is difficult, such as on the side of the ring, during the course walk and during the measuring of dogs. The face mask can be removed in the waiting area before entering the ring.
- Take care of good hand hygiene. Hand sanitizers can be found in many places at the venue. There is a place to wash hands in the toilets.
- Keep the doorways and other passages clear.
- Take the other competitors and stewards into account also when being outside and keep a safety clearance. There is plenty of space in the parking lot, so parking to every other parking space is recommended.
- There is no canteen in the venue.

- The dog crates can be placed on the locker room of the hall (see the map of the venue). Crates are not allowed to be placed on other areas of the hall.
- Take your own water bottle with you, so we can minimize the traffic in the toilets.

### Registration at the competition venue

- The registration point for the competition day is placed in a separate room at the rear end of the hall (see the map of the competition venue).
- Register yourself to be present at the competition by drawing a cross to a list.
- **All competitors will leave their dog's record book to the registration point when registering the dog to be present.** Place a small Post-it in between the record book, where you have written the starting number of your dog and the course letter (A, B, C). You can find Post-Its at the registration point.
- Leave your dog's record book in number order in the basket meant for the competition class of your dog.
- If you are unable to attend the competition, send an e-mail to [mikko.aaltonen@activedogs.net](mailto:mikko.aaltonen@activedogs.net) before the competition days, or during the competition days send a message to the chief steward of your dog's class (WhatsApp or text message).
- If your dog is in heat send a message to the chief steward of your dog's class (WhatsApp or text message).
- Return the competition gift cards to a mailbox that can be found from the registration point. Write your own name to the gift cards! Gift cards that have not been returned will be charged with an additional fee.
- Vaccinations of the dog will be checked beforehand with random sample. **If your dog's starting number ends with number 1** (meaning 1, 11, 21 and so on), send photos of your dog's vaccination certificate, where the identification information and vaccination dates can be seen, to the chief steward of your dog's competition class (WhatsApp or text message).
- We do not use number vests, please follow the announcements!

## Measurement of dogs

- Due to a foreign competition judge, only the dogs competing in class 1 who have no previous measurement result, will be measured. The measurement will be marked down on the last page of the record book, but it will not count as part of the measurement process. For the next competition the dog has to be registered for measurement as it would it its first measurement.
- The measurement will be organized on Saturday and it is meant only for dogs competing on the same day. Registration for measurement must be done latest on 23.1. by e-mail [mikko.aaltonen@activedogs.net](mailto:mikko.aaltonen@activedogs.net).
- A separate timetable for the measurements will be sent to dogs registered for measurement. Please arrive to the venue according to your own measurement time.
- It is not necessary to pay the measurement fee for this competition, as the measurement result will not count in the measurement process. If you have already paid the fee, no harm has been done, as the fee is to be paid only once. Remember to preserve the receipt of the fee, so you are able to send it to the organizers of the next competition.
- Write down the information of the dog and handler to the first page of your record book before coming to the measurement. Record books will be sold at the competition venue. The price for a record book is 4 euros and it will be paid to the account of Active dogs ry beforehand:  
Account number: FI63 5740 7520 0805 72  
Receipient: Active Dogs ry  
Message: Record book and your name
- Order a record book beforehand latest on Wednesday 26.1. by e-mail [mikko.aaltonen@activedogs.net](mailto:mikko.aaltonen@activedogs.net) or at the competition venue by calling Hennariikka Kangas, 040 742 3352.
- The measurement of dogs will take place in the registration point (see map of the competition venue).
- Remember to use face mask during the measurement.
- The judge or a measurement assistant will tell you what to do, please follow the instructions.

### **Course walks**

- The course walks will be divided into smaller groups if necessary. Please check the timetable for estimated time of course walks and possible smaller groups.
- We do not start the course walks ahead of the timetable.

### **When it is your turn to run the course**

- The entrance for the waiting area is from the hall's normal door through the hallway.
- Three dogs in starting order should be waiting in the waiting area.
- When reaching the goal, the dog and handler should leave the rewarding area quickly so that it will be clear for the next dog.
- The area near the entrance door that is marked down in the map of the competition venue should stay clear for dogs coming in and going out to the ring.

### **Record books**

All competitors will leave their record books to the registration point when registering. Record books may be retrieved after the last start from the same place. Avoid contact with the other record books.

### **Prize ceremony**

Prize ceremonies will not be organized. The results of the competition will be announced and a result list will be published on the wall of the hall, after that if you have placed 1.-3. you may get your prize with your name on it from the registration point (see map of the competition venue).

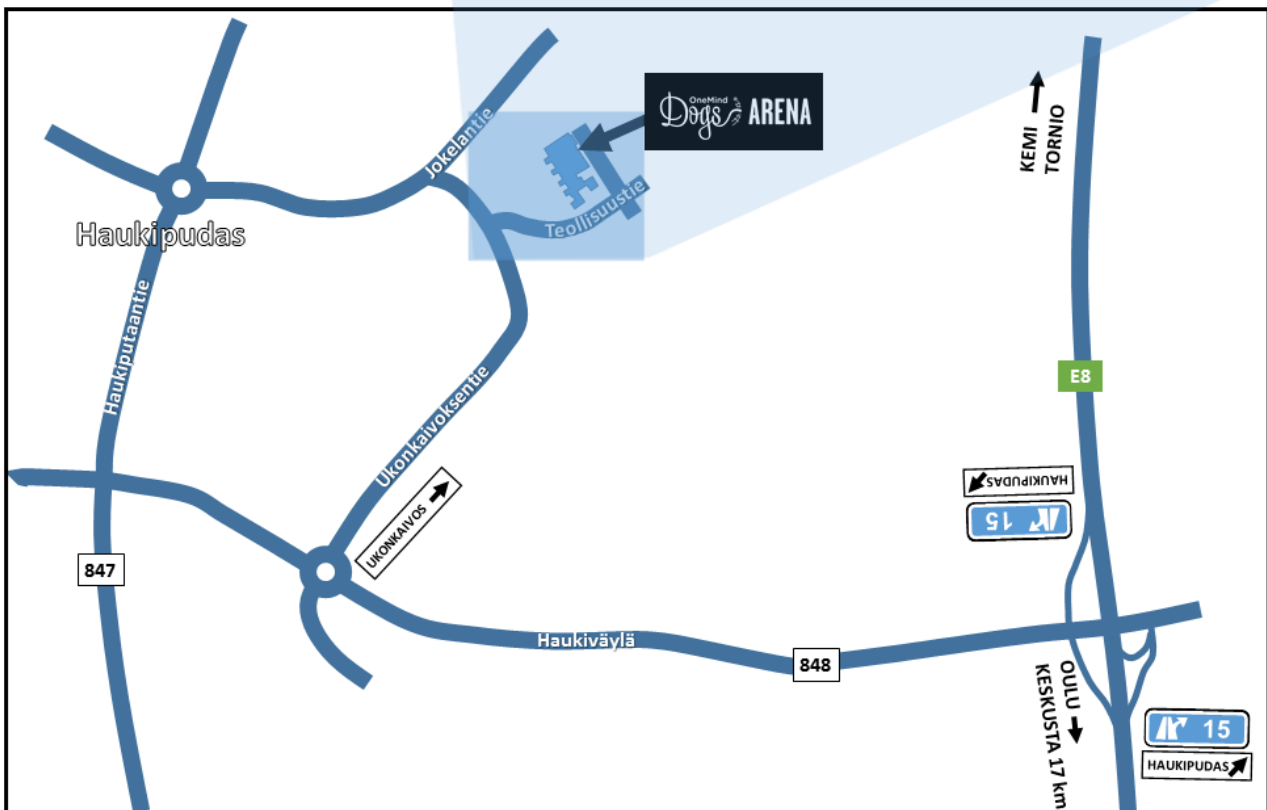

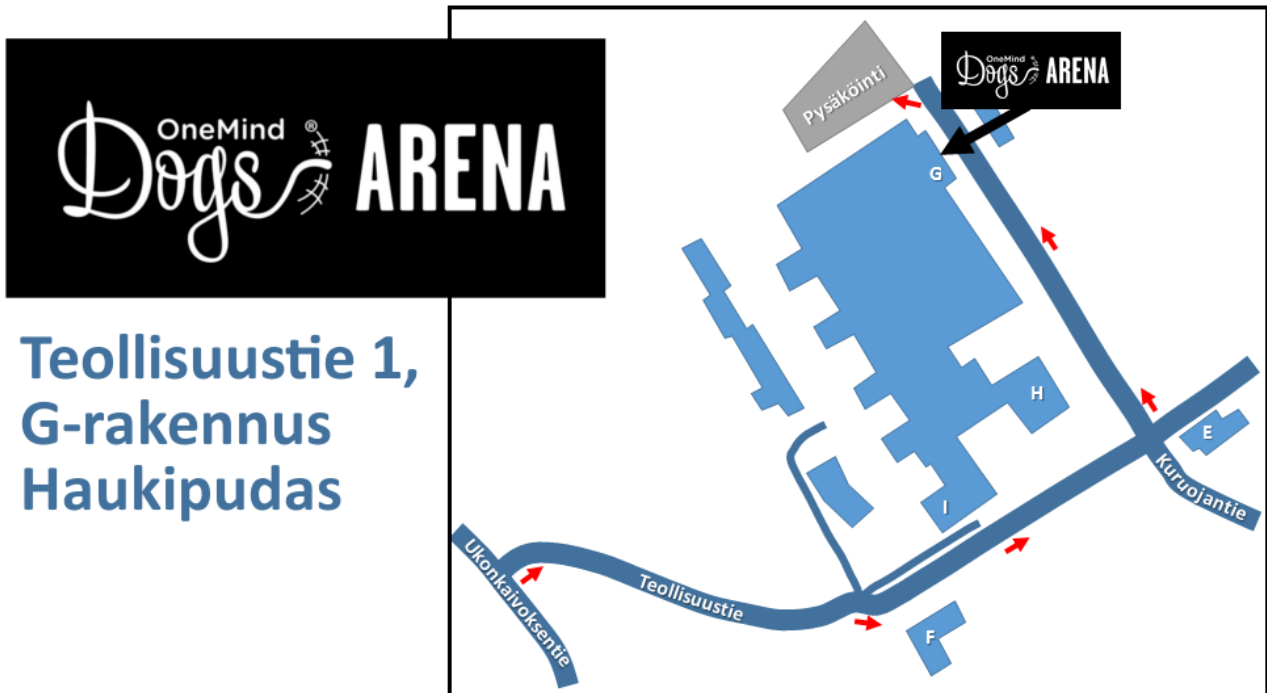

Map of the competition venue

**PARKING:**

Parking of the competitors' cars only to the places marked on the map (parking places with electric poles). The parking lot in front of the front door of OneMind Dogs Arena are meant only for the stewards of the competition!

## Timetable

**The times are starting times of course walks. We do not start the course walks ahead of times marked here!**

**All course walk groups will do their walk consecutively.**

For the competition to run smoothly, arrive to the start line on time and follow the instructions of the stewards about waiting area and moving to the start line.
